

Malawian Outreach (#34) – 22nd April 2026 to 04th of May 2026 – Trip # 34

On this trip we will be ministering in a new area I have travelled through but not minister in, namely Mpamba in Nkhata Bay and then opening of two new churches in Nkhorwe Kasungu and Chankhungu in Dowa.

We will also have our first evangelism at a soccer tournament, and the showing of the Jesus film with our new equipment, for which I am excited about.
